

## The Venue - The Beardmore Hotel and Conference Centre

The four-star Beardmore Hotel and Conference Centre has built up an excellent reputation over the last 12 years.

In both 2005 and 2006 it was named '**Conference Hotel of the Year**' by Hotel Review Scotland and it has also been awarded the Green Tourism Silver award.

The Beardmore has also established itself as an integral part of the NHS since being purchased by the Scottish Executive in 2002. Along with the Golden Jubilee National Hospital, it makes up the NHS National Waiting Times Centre Board.

In June 2006, the Minister for Health and Community Care approved the Beardmore as a national NHS and public sector conference facility.
